The MVC accepts many documents, but some are much more common than others. Try one of these combinations for 6 Point ID Verification:

You need 6 Points to obtain a:
- New Jersey driver license
- Permit

Changed your last name through marriage?

Using a US Passport?

New driver?

Get it right the first time

Every ID document you present must be an unexpired, unlaminated, original or certified copy with the official state or municipal seal. If any documents do not meet this requirement, or if any of your documents appear altered or false or are deemed invalid for any reason, you may be required to submit a reissued valid document or additional documentation.
